HTC'S AMENDED TRIAL WITNESS LIST

Defendants HTC Corporation, HTC America, Inc., and Exeeda, Inc. (collectively, "HTC") hereby identify the trial witnesses they may call live or by deposition. HTC's identification of witnesses is based on its assessment of the case at this time. HTC also does not know the nature and/or scope of the testimony and evidence that Plaintiffs Smartflash LLC and Smartflash Technologies Limited intend to present. Accordingly, HTC reserves the right to modify, amend and/or supplement these disclosures based on case developments, including but not limited to the right to: (i) not call some of the witnesses identified; (ii) calling live or by deposition any witness identified on the witness list provided by Smartflash as well as any witnesses necessary to authenticate or lay the foundation for the introduction of documents to which any opposing party objects (including but not limited to custodians of records); (iii) disclose additional witnesses to testify live or by deposition; and/or (iv) introduce deposition testimony as impeachment evidence. HTC further notes that its identification of any witness herein is not an admission that the witness' testimony would be admissible if proffered by Smartflash. HTC reserves the right to cross-examine any witness called to testify by any

opposing party or any other party, regardless of whether they are disclosed on this witness list, including without limitation by counter-designation of proffered deposition testimony.
